**Registration Deadline is May 31, 2023.** An audition is required for **all** new singers.

**What:** The King's Chorale is a treble choir for homeschooled children ages 11-14 and is part of the CHEA Singers program. Singers must be 11 by October 15, 2023. The choir focuses on developing good singing tone and part-singing as the singers learn a variety of music from many time periods and styles. Basic music history and theory instruction are a part of our training. Taking the joy of excellent music to people outside the classroom is also a priority for this choir.

A choir is a team effort that depends on each member doing his part to work toward the group's success as well as his own personal growth. All members must be willing singers committed to participating appropriately in choir activities and working at home on assignments.

**Why:** Committed involvement in a choir brings great joy and satisfaction as new skills are learned, new levels of competence are achieved, beautiful music is created, new friends are made, and we become a tool in the King's hand to bring His blessing to others. We welcome your consideration of joining us in this endeavor!

### Requirements:
